YOUR NEW ACADEMIC APPAREL

Yale University has chosen to dramatize its scholastic identity with distinctive academic heraldry. It has elected to distinguish your achievement by adopting an exclusive design and color in academic apparel, as an alternative to the traditional black gown.

A PhD, other doctoral degree holders and master’s degree holders from Yale University now, more than ever, have reason to purchase their own academic wardrobes. Special events, at which the wearing of the gown is required, are ever increasing. Having your own apparel for such occasions is certainly convenient and economical – after several uses a gown virtually pays for itself. And each occasion brings added prestige and recognition – your specially designed gown states dramatically and unequivocally that you hold a degree from one of the most distinguished Universities in the world.
